* Subject to change without notice *

For those of you planning on visiting the area to camp, hunt, fish, and/or just to enjoy, the Salmon River Road may have changed since your last visit, so please be cautious and patient when traveling through the construction area and abide by the signs and temporary traffic signals placed for your safety, and everyone else’s safety also.

In water working hazards include jet boats.

Installing turbidity barrier takes teamwork and muscle.

Turbidity barrier was moved to new locations throughout the week with a row boat.

Compacting backfill around pipe culvert.
