

Salmon River Road

Following is the Contractor's tentative work schedule for the week of Sept. 17th through Sept. 20th.

The contractor will be working Monday through Thursday this week.

See September 2012 travel calendar on website for road opening/closures.

Salmon River Road (5), Lake Creek Bridge to Spring Bar Campground (Extension) Primary Focus:

Between Lake Creek Bridge and Spring Bar Campground the following work is anticipated to take place:

- Continuing with mechanically stabilized earth wall to include fine grading and wall construction
- Drilling at mechanically stabilized earth wall excavation east of Lake Creek Bridge
- Pipe culvert installation
- Screening material

At a glance of two week's schedule for road openings / closures:
