North Bank Lane Newsletter

Progress Report

There was activity for the week of June 27th on the project. The contractor moved onto the project from June 27th through June 30th. The contractor started the utilities work this week he is working from station 37+45 to station 50+00. The surveying will be on going for the next few weeks. Tide water has opened a field office in Bandon Oregon and will work the project from Bandon. Expect some delays and watch for surveyors on the road. This report will be updated as more activities begin.
